Blue. The color of azure skies. Of deep oceans and placid lakes. A color that calms and soothes. A color that is trustworthy, true and always enduring. It's a color that surrounds us, pervades our every day. It's the hallmark of royal beauty and dignity.

Sitara®

THE
brightest STAR

In a universe of diamonds,
only one is the brightest star.

Each Sitara diamond is hand
selected for its light return potential.
Master cutters then precisely align
the optimum number of facets
turning a diamond into a *Sitara*
emitting superior Brilliance, Fire
and Scintillation.

Sitara diamonds score 4 or 5 Stars* for
Brilliance (white light), Fire (color light)
and Scintillation (sparkle).

Making HOLIDAYS happier

I own a lot of necklaces. But this is by far my favorite.
The black onyx makes the diamonds look so nice.
This was definitely my favorite Christmas present.
